Mercy Cybersecurity Education Center (MCEC) is designated as one of the National Centers of Academic Excellence in Information Assurance and Cyber Defense by the National Security Agency (NSA) and Department of Homeland Security (DHS). Held every October, National Cybersecurity Awareness Month (NCSAM) is a collaborative effort between government and industry to raise awareness about the importance of cybersecurity and to ensure that all Americans have the resources they need to be safer and more secure online.

This event is sponsored by Mercy Cybersecurity Education Center, NSF S-STEM Grant, Admissions, School of Liberal Arts & Withum.

For questions and to RSVP by October 16th, please contact Kathy Dering at kdering@mercy.edu.
